Answer

Based on the provided excerpts, the key steps to attaining riches are:

- "Fix in your mind the exact amount of money you desire" (p.34).
- "Determine exactly what you intend to give in return for the money you desire" (p.34).
- "Establish a definite date when you intend to possess the money you desire" (p.34).
- "Create a definite plan for carrying out your desire, and begin at once, whether you are ready or not, to put this plan into action" (p.35).
- "Write out a clear, concise statement of the amount of money you intend to acquire, name the time limit for its acquisition, state what you intend to give in return for the money, and describe clearly the plan through which you intend to accumulate it" (p.35).
- "Read your written statement aloud, twice daily, once just before retiring at night, and once after arising in the morning. AS YOU READ— SEE AND FEEL AND BELIEVE YOURSELF ALREADY IN POSSESSION OF THE MONEY" (p.35).

The excerpts emphasize that a "BURNING DESIRE" for wealth, along with a definite plan and persistent action, are "the only dependable means of accumulating wealth" (p.176).

Answer

The secret to attaining riches is encapsulated in the idea that "ALL ACHIEVEMENT, ALL EARNED RICHES, HAVE THEIR BEGINNING IN AN IDEAL" (p.18). Additionally, it involves a "definite plan, plus a BURNING DESIRE for wealth" as the "only dependable means of accumulating wealth" (p.176). The process includes "fixing in your mind the exact amount of money you desire," determining what you will give in return, establishing a definite date for possession, creating a plan, and reading your written statement aloud daily while believing you are already in possession of the money (p.34, p.35, p.8).
